CHRISTMAS OFFERING

This Sunday, December 19!!

Chronicles 2: Chapter 31, Verses 5,6, & 10

"...the people of Israel brought gifts of their finest grain, wine olive oil, honey, and other farm produce, and they also brought the tithes of everything they had. All the people who lived in the cities of Judah brought tithes of their cattle and sheep, and they also brought large quantities of gifts which they dedicated to the Lord their God:...

.... "Since the people started bringing their gifts to the Temple, there has been enough to eat and a large surplus besides. We have all this because the Lord has blessed his people.'"

Your gift this season will go directly towards supporting the Region, right here in Nebraska.

Do you wish that there were funds available to support your minister and/or lay leaders to access training opportunities?

Are there students in your church who could use support while attending college or seminary?

Cotner College has re-designed their Scholarship Funds Guidelines --- and we are making the process as transparent as possible by describing the process and naming how much money is actually available, while also streamlining the application form so that it’s simple for you.
