eUpdate: Keeping Disciples informed

Regional Disciples Program News:

Ministerial Standing Forms – Thank you for completing the Ministerial Standing Form. Of the 79 clergy who had Standing in 2018, 68 of you completed the Form. Those of you who did not complete the Form this year will have Standing suspended until a Form is completed, signed, submitted, and reviewed.

The Standing Form is critically important to all of us who are clergy so we have prepared a very detailed Standard Operating Procedure with timeframes/commitments of when each set of tasks will be completed. Please click the following link for the detailed SOP:

It doesn't take long in ministry to realize that your own 'stuff' shows up when caring for all of God's creation from people to planet. What can we do to show up as our best selves, even in the worst situations? In 36 hours, our goals are big and bold. This retreat will meet at the intersections of Compassion Practice, Sabbath, Race, and Creation to make peace within our own wounds so that we might make peace within these intersections.
