### **2020 YEAR BOOK & DIRECTORY**

**INSTRUCTIONAL WEBINAR** – December

**POSTCARDS MAILED** – Early January

**ON-LINE FORMS** – Available January 2<sup>nd</sup>

**DEADLINE** – February 15<sup>th</sup>

The [year book](#) and directory is more than just numbers. It is, above all, a **touchstone for our covenantal relationships** across the expressions of the Church. General ministry reports, general assembly resolutions, regional and congregational information and more appear in these pages connecting us. The year book is also a **document of record**. Not only does it show trends in membership and giving, but it also serves as the documentation for congregations' 501c3 nonprofit status with the Internal Revenue Service in the United States.

Between Jan. 4 and 14, your church office should receive a postcard with your congregation's PIN number. The [disciples.org/yearbook](http://disciples.org/yearbook) web page will have a link to the online reporting form, downloadable instructions and other resources to help you through the reporting process.

This year there will be additional questions that may look unfamiliar. The Christian Church (Disciples of Christ) is partnering with Faith Communities Today in their 2020 Census of religious communities. Please note: the data from these questions will be shared in aggregate form only to protect confidentiality.
